Scorpio Rising To Perform 2-City, 2-Night CD Release Party for “Feels Good”.

June 9, 2008 - Austin, TX

Austin-based electro/dance trio Scorpio Rising announces the release of their third album, *Feels Good*, with parties held in San Antonio, TX. at Rock Bottom Tattoo Bar (Friday, June 27, 2008) and Austin, TX. at Trophy's (Saturday, June 28, 2008).

Scorpio Rising presents a must-see-to-believe energetic live show with lights and dance moves, fronted by singer/dancer, Madame Scorpio. Bassist/guitarist, Wonderbred (mastermind behind Austin funk-rap legends Retarded Elf), plays instruments onstage and writes/produces all backing synth/percussion tracks. Drummer DJ Bixler, formerly of Austin's 3 Penny Opera and NYC's Simple Thing, plays a drum kit customized for Scorpio Rising's blend of electronic-meets-live performances.

Scorpio Rising has been voted as high as #3 in the Austin Chronicle's Music Poll in categories ranging from Best Goth/Industrial Act to Best DJ band.
